Dear Parent/Carer,

## Easter Revision Courses Monday 29th March to Wednesday 31st March 2010

As part of our preparation for the examination season beginning in May, we will be running a series of revision courses aimed at securing the best grades possible for all of our students. These courses will be run from Monday 29th March through to Wednesday 31st March 2010 and will be held at Guthlaxton College.

Guthlaxton is committed to securing the best possible results for all of our students. It is highly recommended therefore that your son/daughter attends the additional support sessions during the Easter holidays so that revision is clearly targeted and supported during this critical time.

All students will be working in their lessons to prepare for the examinations however, the additional Easter Revision programme will help secure each student's understanding of the key concepts and content studied across their courses.

Our Easter Revision programme is designed to secure the following:

- Teach key facts, patterns and principles
- Boost confidence
- Give examination practice
- Improve techniques
- Guide students towards better quality answers

It is highly recommended that students participate in the Easter Revision programme as part of their preparation. The details of the courses available are listed overleaf.

Regrettably, the extra Easter Revision courses will not be provided free of charge. In order to run the scheme, we require the commitment of students, at a cost of £1.50 per two-hour session. This is a significant saving, as students who turn up on the day will be charged £2.50 per session. Please write to me if your personal circumstances would make payment difficult. The scheme should be available to all. Students who are entitled to free school meals are not expected to pay. The prior commitment of at least 15 students (including pre-payment where appropriate) is required for a particular session to run. If too many apply for a particular session, places will be decided on the basis of 'first come, first served'.

Please complete the attached slip, ticking each revision lesson you would wish your son or daughter to attend.

Yours sincerely

Robert Coles  
Deputy Principal.

**Principal:** John Keller *BSc (Hons), MA, MBA*    **Deputy Principals:** Robert Coles, Sally Cox
